User can conitue with online deposit using the Onlin Payment option. To update the deposit records for direct deposit to bank, use the Payment Details menu or Payment (Application) Box. If the direct deposit record is updated, then concerned MI is required to review and accept. Upon acceptance by the MI, the deposit is finally updated in the system. If the deposit is done online, then the deposit is upated in the system once MAS success page is loaded.

4.1. Online Deposit

To deposit the Royalty / ERB online click the Online Payment menu on the left. Following page is provided. Select the mine. If a user is responsible for more than one mine then the Name of Mine drop

down will have more than one mine in the list. If the user is responsible for only one mine then the list will have only one mine.

Online Payment Details	
Name Of Mine *	Adagangchu Stone Quarry (AP-ML1)
Account Head *	Royalty from Dolomite - 115230001 🗸
Payment Amount *	
"Please choose the s	pecific mineral Royalty and Mineral Rent Head while making a payment"
	PAY

Select the Mineral for which you want to deposit Royalty. Based on the mineral selected relevant Account code will be used for depositing the Royalty. **Please note that online deposit is not possible for ERB.**
